Cook Inlet Tribal Council and the Alaska Works Partnership, Inc met regarding training, outreach, recruitment, and the dissemination of construction careers and awareness processes to youth and young adults.

Construction careers and awareness information presented to school staff and campers at Ninilchik camp.

**PROBLEMS, DELAYS OR CONCERNS EXPERIENCED:**

Are the grant activities progressing as planned? If not, what is the cause? Identify if there are any areas the Alaska Workforce Investment Office can provide assistance.

Other than grant award and then recruitment starting late, our grant is progressing as planned

Recruitment – we received the grant late in the quarter; therefore recruitment started late. Currently, there are no areas that Alaska Workforce Investment Office needs to assist us with.

**POSSIBLE PROBLEM RESOLUTIONS AND TIMEFRAMES:**

For any problems identified, describe how you will resolve them and how long it will take.

Recruitment – CITC communities are having a difficult time recruiting young adults from their communities for the Construction Academy; therefore Glo is starting an Anchorage wait-list. Other options are being discussed.
